

FAIRFAX IMAGING AND HOLISTEC SYSTEMS LIMITED ANNOUNCE PARTNERSHIP

Tampa, Florida and Wellington, New Zealand May 2, 2015 – Fairfax Imaging, Inc. and Holistec Systems Limited today announces a partnership to provide Fairfax Imaging’s award winning *Quick* Modules payment solutions in New Zealand and Australia. “We are excited to be working with Holistec Systems. As a fellow Microsoft Partner we align perfectly from a technology standpoint. Holistec is uniquely qualified to host our cloud-based solutions, provide implementation services, training, and call center support for our customers in the region” said Michael D. Minter, VP of Sales and Marketing for Fairfax Imaging. As part of the agreement, Fairfax Imaging personnel will be located in the Holistec Systems facility in Wellington. “We are thrilled to be able to offer the *Quick* Modules payment solution throughout New Zealand and Australia. To have the entire Executive Team from Fairfax in New Zealand last month was a unique opportunity to forge a true Partnership and demonstrate synergies against our other Enterprise offerings” said Mike Ross, National Sales Manager of Holistec Systems.

About Holistec Systems, LTD

Holistec Solutions LTD is a premier provider of enterprise solutions in New Zealand. To best support its government customers, Holistec is strategically located in the New Zealand capital providing Payment Solutions, Workforce Management, Customer Relationship Management, ECM and DAM. Holistec has a Software Development Division, provides IT Infrastructure, Hosting, and Outsourcing, and provides a staffed Call Center for ongoing support. In addition to its partnership with Fairfax Imaging, Holistec Systems is a Sugar CRM partner, an authorized partner of Ruckus Wireless Technology, and is Silver Certified for Cloud Solutions by the Microsoft Partner Network.
